Speaker: **Marc Lewis '95**, Group Head of Tax, Treasury
& Pensions, London Stock Exchange Group

Transfer pricing is a top-of-mind priority for governments and taxpayers around the world. This masterclass is designed to address the importance of transfer pricing, the legal framework, and the practical application of it by multinational companies. Often, transfer pricing is referred to as an art and not a science. Therefore, this session will focus on the practical aspects, so you learn its language and how to recognize when it's relevant.
