

# LEGALTECH TALKS

## The Prilosec Patent Litigations

**DATE**

Wednesday,  
October 23, 2024

**TIME**

12:50 p.m. — 1:50 p.m.

Lunch will be provided  
to those who register.

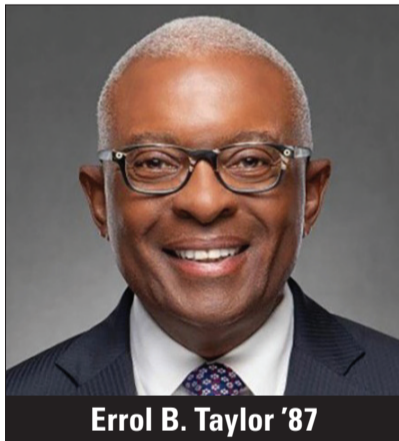

**LOCATION**

W302

This event is for the  
NYLS community only.

The biopharmaceutical industry relies on predictable and stable patent laws. Join us for a discussion with distinguished patent attorney **Errol B. Taylor '87**, as he shares insights from over a decade of patent litigation involving one of the world's largest-selling drugs.

**Errol B. Taylor '87**

**Seve Falati '08**

**Errol B. Taylor '87**, a member of the NYLS Board of Trustees and Distinguished Adjunct Professor of Law, is a preeminent intellectual property attorney with decades of expertise in complex technology protection, licensing, and other transactions. He led Milbank LLP's biopharma patent practice from 2003 through 2020, and served as lead trial counsel in numerous multiparty, multinational cases involving some of the world's most prescribed medicines.

Moderator: **Seve Falati '08, Ph.D.**, Professor of Law from Practice; Co-Director, NYLS Innovation Center for Law and Technology; and Director, NYLS Patent Law Clinic
